Community outreach, health education and wellness promotion characterizes the family oriented services. Offering primary health care across the life span, and a full range of maternal and infant health care services, NHC staff acts as the first link to the health care system, referring persons for secondary and tertiary services when needed.
<b>022521</b>		
<b>022521</b> LIFP 07/01/93 To 06/30/97  400,000.00  48 Months  Closed	<b>City of Escondido</b>  201 North Broadway Escondido, CA 92025  <b>Dr. Dennis Kelso, Ph.D.</b> Director Phone: (858) 566-3709 Ext: 102 dkelso@altamassociates.com	<b>California Screening, Brief Intervention, Referral and Treatment (CASBIRT) Program</b>  Using existing community resources more efficiently, this initiative is a collaborative prevention prg. Through collaboration, coordination & early intervention, its goal is to deliver lower cost, less intensive primary care & alcohol/drug services. Providing these services to more people early in the pattern of substance abuse, would eliminate the need for more expensive services in the later stages of substance abuse. Thus a greater number of dependancy problems within the community would be dealt with in a more cost-efficient/effective manner.

<b>067947</b> LIFP 07/01/10 To 06/30/13  499,961.00  36 Months  Active Grant	<b>Adult Well-Being Services</b>  1423 Field Street Detroit, MI 48214  <b>Mrs. Karen Schrock</b> President & CEO Phone: (313) 924-7860 Fax: (313) 924-0350 kschrock@awbs.org  <b>Ms. Earlene Traylor-Neal</b> Project Director Phone: (313) 924-7860 Fax: (313) 924-0350 ETNeal@AWBS.org	<b>Detroit-Wayne County Partnerships for Integrated Care &amp; Health Project</b>  To improve health for individuals with severe, persistent mental illness who live in adult foster care homes, a mental health services provider will partner with a Medicaid managed care plan, a community health center, 40 foster home proprietors and a food bank. Together they will address some of the conditions that are complicated by severe mental illness such as diabetes and cardiovascular disease. A multi-disciplinary health care team will visit the group homes, including a peer counselor to help clients develop diet and exercise plans. The local food bank will deliver fresh produce and teach cooking and nutrition classes for residents and staff, and plans include the establishment of new food-buying cooperatives by the adult foster care home owners.
